Advices for Organizers:

Generally

It is very important that "NEZ" is shown in all paperwork, Supplementary regulations, written or verbal information used about the Rally. Even if many rallies are part of national championship the "NEZ" flag must be waiving.

Details

- All Rally guides must be published 90 days before the event.
- Supplementary regulations and official papers must be available English.
- The NEZ- groups must be shown in the entry-form, paper or electronic entry, so it is easy for all NEZ-drivers to find the correct group. However there are no obligations for the organizer to open the NEZ-groups as separate classes in the event. It is possible to let drivers compete in the events ordinary classes, but separate entry lists and result lists for the NEZ groups must be provided by the organizer.
- Entry list for the NEZ- groups must be separate and include nations as the results.
- Lower entry-fee for foreign NEZ-drivers, and free entry for the drivers from the foreign region of the zone (East/West). In this split, Finland is decided to belong to the eastern region.
- Results must be sent on standard sheet to the coordinator below, latest on Monday after rally.
- **ALL JUNIORS MUST BE REPORTED, ALSO THOSE WHO FOR ANY REASON DID NOT FINISH!**
