

# NEZ RALLY COMMISSION

## Agreement, NEZ-rally 2017.

1. Foreign drivers from other NEZ-countries are allowed to participate in all national competitions under the jurisdiction of the rally commission in the organizing country, unless the organizer specifically states otherwise in the supplementary regulations.
2. No organizers are demanded to provide supplementary regulations or other information in any foreign language. However this is recommended for organizers who want to invite foreign drivers.
3. National entrants- and driver's licenses are accepted if they include starting permission from the validating ASN.
4. National cars, as well as international cars are accepted
5. **Safety equipment, personal:**  
According to the regulations in the country where the rally is organized
6. **Safety equipment, and technical equipment, national cars:**  
According to regulations of the driver's home country.
7. **Every ASN signing this document is obliged to include the contents of this agreement in their national general rally regulations.**
