Rally in Bramming

In Bramming you are in the heart of a green environment, where several large watercourses wind their way through varied and beautiful scenery, and where there is excellent angling and canoeing.

The lovely countryside and village culture is perhaps best seen when biking, which can easily be done using the many cycle paths and routes that run along the sea-wall by the Wadden Sea and that link the various villages.

Golf is a sport that is becoming increasingly popular, and Bramming has a very beautifully situated international golf course with good club house and restaurant facilities.

Bramming is only, 20 km. from the capitol of West Jutland, Esbjerg.

Bramming Motor Club has also a great jubilee this year, it's 80 years ago, since the club was founded.

Bramming Motor Club will be the organizer of: NEZ final, DM final and DM final in historic rally. The whole arrangement is made by a very professional management, and the club has made bigger rallies since 1987.

There is 135 km. speed test: 98 % asphalt and 2 % gravel, and with a total length of 350 km.

Technical Checks is Friday evening 2 November.
